All electrical installations shall comply with the International Electric Code as published by the National Fire Protection Association and are subject to inspection.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I further acknowledge that all work performed under the application is subject to inspection before final approval is granted.
